

 **FOLK TALES of INDIA**

In the Indian Night Sky

One night, high above India,
Sun, Moon and Wind were all
getting ready for a big night.

A great feast was being prepared
by their cousins, Thunder and Lightning,
to celebrate the coming of the Rains.

Sun shone brighter than ever, while Moon seemed to glide on Wind's cool breeze.

The feast was glorious. They met many stars and danced all night long with the joyous Rains.
